

Florida Primary Election 2024

Be sure to vote in the Primary on or before August 20th. NPA races like school board and judge are often decided in the Primary.

I'm a conservative Republican and my votes reflect that. These are the candidates I'll vote for or would vote for if I was in their District.

For those with more than one choice, I'm still investigating. If you are ready to cast your ballot on these races, the choice is yours.

My selections are based first on positions on Religious Liberty, Sanctity of Life, One Man One Woman Marriage, and the Indoctrination of our Children in the Public Schools.

All the choices are subject to change if important new information comes out before the election.

Please note that based on new information there have been some changes since the first version of this list was sent out.

James Judge was added to House District 15 because I heard him speak and spoke with him and believe he'd do a good job if elected.

In School Board District 5, the objective is to replace Henry Washington. The change was made because Kenneth Gay has 39 years of experience in Hillsborough County Schools. Elvis Piggott is a good candidate, but I don't want to advocate for splitting the vote on this important NPA race that could be decided in the Primary.

David Maynard was removed in Soil & Water District 4 because Wikipedia says he was registered as a Socialist 10 years ago and

unless information shows up proving that's wrong, I can't vote for him. I'm looking into it and will update if appropriate.

God bless you!
